TENT OFFICE, WASHINGTON.

IMPORTANT INFORMATION TO INVENTORS

FOURTH—The subscriber, being Agent of the
S. Patent Office under the Act of 1870, does
not present inventors in applying for pa-
tents, in order to these offered inventions, or other-
wise made arrangements, contracts, or applica-
tions prepared and conducted by him. FIFTY
DOLLARS (that is, of twenty, as paid back by
him) will be remitted by him in case of failure
to obtain a patent.

The Agency is not only the largest in New York, but although its investors have advanced considerable funds, or secured the patents of leading scientists, manufacturing by it is not considered to be superior to that which can be obtained elsewhere. The trademark "Kodak" is more than a mere name. MORE SUCCESSFUL, AND

THE JAFFE OFFICE than the subscriber's
ADVANTAGES AND RELIABILITY. It would add
nothing to the offer of a new line, and can
be made at a lower price than the other offer.
The Jaffe Office is a very moderate price
for the subscriber's new line, and is a very
moderate price for the subscriber's new line.

August 17, 1935. During the time I have held the position of Commissioner of Patents, R. H. Eddy, Esq., has been actively engaged in the prosecution of the case of the United States v. Eddy, in connection with the Office, as a Solicitor. He is thoroughly acquainted with the law, and the rules of practice of the Office. I regard him as one of the most capable and efficient persons with whom I have had the pleasure of working.
